
PRESS RELEASE

INTRACOM IT SERVICES GROUP GOLD SPONSOR OF THE SEPE DIGITAL ECONOMY FORUM

Peania, May 13, 2010 – INTRACOM IT SERVICES Group, the leading provider of integrated IT services in Greece, was a **“Gold Sponsor”** of the *digital economy forum*, organized by the Federation of Hellenic ICT Enterprises on the occasion of its 15-year anniversary.

At its central presentation, INTRACOM IT SERVICES Group, through Mr. Spiros Pomonis, General Manager, Government Solutions Division, looked at the timely issue of electronic public procurement, stressing the fact that prompt application of such a system is a requirement for increase in transparency, reduction of administrative costs of the companies involved, as well as significant public cost savings, estimated to be over 30 mil. euro on a monthly basis. Mr. Pomonis presented the basic components and advantages of the internationally recognized solution that has been already selected by the Greek Government through an open public tender and is offered by the consortium of INTRACOM IT Services and Q&R, noting that the first e-auctions through the new system could be conducted within two months from the beginning of the project.

At the INTRACOM IT SERVICES Group booth, visitors had the chance to learn more about the international activity of the Group through its dynamically developing companies, INTRACOM IT Services (parent company), Intrasoft International, INTRACOM IT Services Middle East & Africa and INTRACOM IT Services Denmark that enjoy a dominant position in the markets, where they are active. More than 500 organizations in 57 countries worldwide (agencies of the European Union, national governments, public bodies, banks, telecommunication organizations, businesses) have chosen the Group’s services and solutions.

###
