
PRESS RELEASE

INTRASOFT International Diamond Sponsor of the SAP Forum 2010

Peania, May 17, 2010 – INTRASOFT International, a member of **INTRACOM IT SERVICES Group**, was a **Diamond Sponsor** of the annual SAP Forum 2010 «Innovation and Entrepreneurship».

At its main presentation «**Trusted Information: The Key to Effectively Manage Your Business**», INTRASOFT International focused on the need for effective data management and the development of reliable key performance indicators, as a driver for strategic decision-making and a valuable resource for performance optimization of business processes, especially during the current economic environment. The company presented specific customer cases showcasing the benefits of **SAP Netweaver Business Intelligence** implementations.

At INTRASOFT's International booth, visitors learned more about the functionality of **SAP Business Objects business intelligence** solutions and furthermore about the **preconfigured SAP solutions** for vertical markets, such as Commerce, Manufacturing, Healthcare, Constructions, and Professional Services, focusing on high quality services and fixed price - fixed time implementation.

###

About INTRASOFT International:

Established in 1996, INTRASOFT International, a member of INTRACOM IT SERVICES Group that belongs to INTRACOM HOLDINGS Group, has become a major provider of IT services to European Institutions and Member States. Its client list is impressive and includes most of the Directorates General (DGs) and Agencies of the European Commission. INTRASOFT International provides many critical IT services and systems, ranging from the initial inception and formation of guidelines to the realisation, operation, and support of specialised business domains and diverse technical environments. The majority of these undertakings support the EU Central Administration needs and work towards the effective implementation of EU policies and directives in coordination with the EU Member States and other countries.

In addition, INTRASOFT International's SAP Business Unit, employing today over 50 experts, provides services and SAP solutions to more than 70 enterprises. This clientele consists of Greek

SMEs and Large Enterprises, as well as large multinational organisations active in a wide range of market segments. INTRASOFT International, recently nominated SAP GOLD Channel Partner, offers integrated solutions, implementing a wide range of SAP solutions, from the traditional ERP applications to Business Intelligence, CRM, Exchange Infrastructure and Portal Solutions.
